We want to share some exciting news with you. Adhezion Inc. and Keystone Industries have come together to form an even stronger adhesive, equipment, service, and parts company. We look forward to leveraging the strengths of both companies to offer you an even higher level of service.

What does this mean for you? The answer is you can expect the same high level adhesive equipment replacement parts program along with industry leading technical knowledge from your Keystone team.

You may see some changes in your paperwork, reflecting both Keystone and Adhezion. This is a natural progression as Keystone is now under our Adhezion umbrella.
